### Grooming Consent Form

*Thank You* for choosing the grooming staff at Animal Hospital of North Gwinnett. Our goal is to provide your pet with caring and professional service. We also strive to educate you, the pet owner, on how to keep your pet's hair and skin-coat as healthy as possible.

Current vaccines and intestinal worm check are required before admittance into the hospital is allowed!!

For the health and well being of your pet and other patients,  
**ABSOLUTELY NO EXCEPTIONS CAN BE MADE!**

---

All grooms include a ***bath, haircut, nail trim, and external anal gland expression***. If internal anal gland expression is required, the doctor on staff will perform the procedure for an additional charge.

**\* IMPORTANT \***

Pets that pose a threat to our grooming or veterinary staff during their visit here will be muzzled. If your pet is highly anxious or aggressive, please discuss sedation options with the groomer **PRIOR** to dropping your pet off.

PLEASE NOTE: Our groomer always points out problem areas to the doctors on staff in order to provide your pet with the best care possible. It is not always possible to groom your pet in the manner that you desire. If a pet is extremely matted, has very dense or a very fine hair-coat, or has skin problems, the groomer may not be able to provide the \*breed\* standard cut. Please feel free to talk to your groomer about your pet's health interest and grooming options.

**GROOMING SERVICES WILL NOT BE INSTITUTIED UNLESS  
THIS CONSENT FORM IS SIGNED AND A CONTACT NUMBER IS  
PROVIDED AT EACH GROOMING APPOINTMENT.**
